JAIL BREAK PLOT BARED AT THE COUNTY BASTILE LAST TUESDAY

A plot which had as its purpose the escape of thirty prisoners at the county jail, was bared at the county jail last Tuesday. The plot was discovered by the deputy sheriff on duty at the jail, who was brought to light Tuesday when the local officials were warned through one who was on the inside of the plot. A search was immediately made of the jail, and the discovery of several hawkeyes in the cell of Alvin Karpis, who is in jail for burglary, was made. Karpis is said to be a hardened and expert criminal and an ex-convict, and is supposed to be the leader in the plot to break the jail. The jail was searched and the jailers were notified. Redwood Woman Helps Orphans

The will of Mrs. Wilhelmina Hauser, who died here on February 28, has been placed on file in the superior court here this week. The will, after leaving several bequests to relatives and friends, provided that the residue be turned over to the German Red Cross to be used for the widows and orphans of the German soldiers who died in the recent war. The will, dated Sept. 2, 1920, named Mrs. Theresa Peters of Irvington as executrix, to serve without bonds. The estate consists of cash and real and personal property, the value of which is undetermined, according to the petition for letters testamentary filed. To her nephew, Richard Heckman, of Naperville, the estate left the sum of \$1000 and her property in Redwood City. To a niece, Mrs. C. Megahan, is left \$2000, and to Mrs. Frederick Kallert, of San Francisco \$1500. House and lot goods, wearing apparel and personal effects go to Mrs. Peters. The balance of the estate goes to the trust fund. Mrs. Hauser specified, however, that the estate should not be turned over to the German Red Cross until after the signing of the peace treaty between the United States and Germany.

RUNNYMEDE ITEMS OF LOCAL INTEREST

There was a good attendance at the Women's Club meeting Wednesday afternoon. Matters of interest to the community were discussed at the business session and a program which had been arranged by Miss Mary Wilkin followed. The topic was, "Park with a Day's Journey of Runnymede." Mrs. V. Harding presented the interesting features of Alum Rock Park. Mrs. F. C. Nickerson, "The Pinnacles" and Miss Wilkin, Golden Gate Park. Owing to illness, the birthday table and refreshments were omitted. The social hour and the March committee will act as hostesses for April and the March and April birthdays will be observed at the April meeting. Mrs. Carol DeMant added much to the program by a group of notes on the history of the city. The fund, this means of perpetuating the flower fund being decided upon. Mr. and Mrs. A. E. Albertson moved to San Francisco Monday to attend the funeral of the former's aunt. Mr. and Mrs. Harvey Baker moved down from San Francisco Friday and are staying with Mr. and Mrs. Fred Klein, while getting their new house ready to occupy. They are building their new home recently purchased on Runnymede street. Mr. and Mrs. G. Richards and children motored to San Francisco Sunday to spend the day with the former's father, who is in the hospital. Mr. and Mrs. Fred Ferris of San Jose and the latter's mother, Mrs. Klein, were guests at the A. E. Albertson home Sunday. Miss Louise Hansen and her guest, Miss Bessie Petersen of Pringle, Utah, passed a few days in Berkeley last week. Mr. and Mrs. A. E. Martindale motored to Cupertino to visit friends Monday. Their son, Lloyd and wife, were arrivals from Mill Valley Monday evening and went on to Monterey, Tuesday on a business trip. Mr. Walter Chambers of Clear Lake, Washington, is here for a visit with his daughter, Mrs. B. Slinger and family on Cooley avenue. Mrs. A. Deaso was hostess to the Happy Nine Club Thursday afternoon. Mrs. L. Follett and daughter, Irma, spent Saturday in Oakland. Mrs. Elmer Bartlett returned home from Oakland Tuesday and is convalescing rapidly at her home. Mr. and Mrs. Harry Merrill motored to the city Friday to attend the Paderewski concert. Mrs. Davenport of Livermore, a former Runnymede resident, was a guest at the home of Mr. and Mrs. M. P. Olson Monday. Mrs. W. A. McElhattan and her sister, who is visiting her, were guests of relatives in San Jose Thursday. Mrs. Sylvia Maybee of Mt. View and her son, Oliver Maybee, were visitors at the C. L. Harper home Sunday afternoon. Mr. and Mrs. C. DeLong and family were weekend visitors at the A. R. Deaso home from San Francisco this week. Mr. and Mrs. Thomas Duke have returned home from a stay of several months in Southern California. Mrs. S. S. Stettin, the past week but has been ill since coming. Mr. A. B. Cameron who has been seriously ill with erysipelas, is convalescing and Mrs. H. J. Schneidewind and Gladys Runk are both much improved. Mrs. Fred Klein, Jr. and Miss Lolita Klein and Mrs. Harvey Baker passed the day in San Francisco Thursday. Fred Klein and Harvey Baker joining them in the evening for a surprise birthday party tendered Floyd Baker.

TRUSTEE MONTEITH ADVOCATES TUNNEL UNDER THE HIGHWAY CROSSING

That the highway was a danger to the school children of Redwood City was brought out by Trustee Monteith at the last meeting of the board of trustees of the Town of Redwood City held last Monday. Monteith spoke in favor of a tunnel under the highway at Broadway where so many of the children attending the high school must cross as well as the grammar school children living on that side of the highway. The suggestion made by Trustee Monteith met with favorable response from all other members of the board, and the matter was referred to the committee on the highway, who will prepare plans and specifications for the construction of such a tunnel.

REBEKAHS CELEBRATE ANNIVERSARY

The forty-fifth anniversary of the founding of the local branch of the Rebekah lodge was duly celebrated by the members of the order last Tuesday evening. An interesting program was enjoyed by the members, and the program included musical numbers, both vocal and instrumental, those participating being Mrs. M. Thompson, Mrs. Lydia R. Medford, Richard Syvius, Bill Ruler and Earl Rush. After the meeting an elaborate banquet was enjoyed in the banquet hall, a feast of which was a large birthday cake with 45 candles on it.

DON'T FORGET LEGION CARD PARTY WEDNESDAY

The members of the local post of the American Legion are anxious that a large attendance be secured at the card party to be given by them on Wednesday evening next. The party is given as a benefit for the Red Cross to assist that organization in helping the disabled war veterans. The party is to be in the Foresters' hall, and will be held early in order that those who desire may attend the Old Times Club dance which takes place every Wednesday evening in the hall below.

Atherton Trustees For Lower Taxes

A short but interesting session featured the regular meeting of the trustees of the Town of Atherton last Wednesday evening. At the opening of the meeting Trustee Harris made an announcement in regard to the taxes of the municipality. The total revenue available for the expenses of the government of the town was the fifty cents available on every \$100 assessed valuation from the road tax which was collected by the county. The taxes of the town had not been raised one cent since the incorporation, and Harris continued, it was the desire of the trustees to raise the taxes. The remarks of Trustee Harris were the result of a rumor being circulated by someone that an expensive sewer system and extensive street improvements were being planned by the board which would boost the tax rate. This was emphatically denied by the board. The Town of Atherton is at present living within its income and the trustees last Wednesday expressed their desire to keep within the present tax rate. A resolution was introduced by the trustees calling an election to be held on April 14, for the purpose of electing trustees. The P. T. Graves garage in Atherton is named as the polling place. The polls will be open from 7 a. m. to 7 p. m. of that day. The election officers named in the resolution are: Geo. Nunn, judge; William and E. Ougliomoff as clerks. The fee for the election officers was set in the resolution at \$5. Resolutions were introduced at this meeting fixing the salary of the clerk of the board at \$20 per month and that of the city attorney at \$50 per month. Both of these are to be allowed extra remuneration, however, for unusual service, requiring more expense. These resolutions will be voted on at the next meeting.

BUILDING AND LOAN ASSOCIATION OPENS NEW SERIES OF STOCK

The San Mateo County Building and Loan Association announces the opening on March 1st of a new series of investment shares, Number 126, the same to continue in force until June 1st and then be followed by Number 127. Now is a good time to join in this safe and profitable investment. Information regarding same and loans may be had at the office of the association, No. 90 Broadway, Redwood City.

WALSH STILL CANDIDATE FOR SUPERVISOR

According to announcements made this week by Harry Walsh of Menlo Park, candidate for supervisor from the Third township, he is meeting with much encouragement in his candidacy. The report that the candidacy of Walsh was only a joke to scare John MacBain, the incumbent, he says was not true. Walsh says that he was persuaded by his friends to try for the office, and feels confident of success. Harry Walsh is a son of the late constable, Martin Walsh, and is a veteran of the late war, having been a member of the 91st division.

NEW SCHOOL TRUSTEE

County Superintendent of Schools Roy W. Cloud has appointed Alvin Hatch a trustee for the Halfmoon Bay School District. Mr. Hatch is a well-known lumberman of the coast side. He succeeds Antonio F. Joseph, who recently resigned.

LOCAL HAPPENINGS OF GENERAL INTEREST CONCERNING WELL KNOWN LOCAL PEOPLE

Mr. and Mrs. John Harrison and son, Stanley, of Modesto spent a few days here this week with Mrs. Harrison's parents, Mr. and Mrs. C. H. Woodhams.

Joseph Lemacher, a rancher of the La Honda district, was in town Thursday on business.

A delightful card party was given by the Carmel Men's Club last Friday evening. High scores were made by Mesdames M. F. Healy, Walter Brach, A. V. Murphy, T. E. Fowler, F. W. Glennan, P. J. Townsend, and Ruth Glennan and Messrs A. V. Murphy and L. Cinner.

Rev. R. J. Currie arrived in Redwood City last Tuesday evening, and will soon be at home in the Congregational parsonage. Rev. Currie will preach at 10:30 a. m. at the church tomorrow.

Mrs. J. B. Doolittle, formerly of this city, was in Redwood City this week attending to business affairs. Mrs. Doolittle is now residing in Los Angeles.

Rev. Dodge, former pastor of the Congregational church here, who suffered the loss of both feet in an automobile accident several months ago, moved to Palo Alto with his family and they will be at home at 746 Forest avenue. The Dodges have been stopping recently at Rest Haven, near Los Angeles. It is said that Rev. Dodge is now recovering from his accident.

That cowardice and personal spite may take queer and perverted turns was amply illustrated in Atherton this week. Trustee Harris of the Town of Atherton, has since his election to the post of trustee, been usually active in his endeavors to have the town cleaned up and to have the streets cleaned and made presentable. It was through the efforts of this trustee that a considerable amount of money was spent by the board to have the streets freed of the refuse and garbage, which some persons had been in the habit of dumping along the road. The fact that the streets of the newly formed town were to be cleaned up, seemed to inspire the hatred of some one who with more hatred than self respect appears to have a desire to make Trustee Harris the recipient of a peculiar type of venom. Last Monday while Mr. and Mrs. Harris were attending the theatre in Redwood City, a truck load of old cans and other refuse was dumped along in front of the Harris property on Selby lane. Threatening letters have also been sent to the officials of Atherton, probably by the same group of individuals.

YOUNG LADIES HOLD MAH JONGG PARTY

Miss Adelaide Butts entertained a dozen of her young lady friends at the Butts home on Pennsylvania avenue last Saturday afternoon. The house was beautifully decorated with daffodils and fruit blossoms and the afternoon was most pleasantly spent with Mah Jongg. Miss Marie Merrill was the holder of high score while Miss Blanche Ross played the consolation hand. A dainty lunch was served which added much to the enjoyment of the occasion.

Those present were the Misses Helen and Violet Curran, Marie Pauline O'Connell, Helen Heiner, Mona Walsh, Blanche Ross, Lorraine Dickie, Agnes Flynn, Consuelia Wright, Dorothy Bresse, Marie Merrill, Adelaide Butts and Mesdames Winn Bous and Mrs. Butts.

HIGH SCHOOL TRUSTEES OFFER TRACT FOR SALE

Upon the failure of the bonds for the purchase of the high school site at the election last Monday, the trustees of the Sequoia Union High School District, the present owners of the property, held a special meeting and immediately advertised for bids for the sale of the property.

The land in question is the field at the corner of the Highway and Broadway, which has for many years served as a ball park. It was purchased in 1916 by the high school district for use as an athletic field, but since the purchase of the new school ground the field has not been needed for the high school. It was therefore offered to the town. As the voters of Redwood City did not see fit to purchase the ball park it will now be sold for business purposes.

Bids must be in by 4 o'clock of March 21, according to the advertisement, which appears in this issue of the Times-Gazette. It is rumored that an Oakland Real Estate firm has already offered \$40,000 for the property. And it is expected that a good price will be obtained by the high school district for the tract.

NATIVE DAUGHTERS DEDICATE TREE IN BURBANK'S HONOR

In honor of the seventy-fifth birthday of Luther Burbank, the plant wizard of California, the local parlor of Native Daughters presented the Town of Redwood City with a beautiful tree. The tree was planted in front of the city hall by the ladies themselves, at 2:30 yesterday afternoon.

that Rev. Dodge's health is much improved.

Donald Warren, wife and small son were arrivals in Redwood City this week from Yerlington, Nevada, and will take up their residence in Redwood City. Mr. Warren is a civil engineer and will be employed by the Portland Cement Co. Prior to coming to Redwood City Mr. Warren has been engaged in the construction of a large water storage project in Nevada.

Frank Griffin, coach of Sequoia High, was in San Francisco last Saturday selecting bats and balls for this year's team. Baseball practice has begun at Sequoia and Griffin expects to have an aggregation that will reflect credit upon the local institution.

Mr. and Mrs. Roy W. Cloud were in Morgan Hill Saturday and remained over Sunday as the guests of Captain and Mrs. Lewis H. Britton.

Miss Gertrude Irwin, supervisor of the in the Santa Clara county, has been confined to her home on Birch street for the past week with a severe case of bronchitis.

According to the Pacific Gas and Electric Progress, the paper printed by the P. G. and E. Company, for March, the sum of \$2400 is being expended in the town of Redwood City for extensions of gas mains.

CONGREGATIONAL MINISTER ARRIVES FROM EAST

Rev. R. J. Currie, lately called to the pastorate of the local Congregational church, arrived from his former home in Wyandotte, Michigan, Wednesday. Mr. Currie was accompanied by Mrs. Currie and their two sons and they came via the southern route. As their furniture had not yet arrived, Mr. Currie and his family to the Hotel Sequoia, where they will stay for about two weeks.

This is Mrs. Currie's first visit to California, and she is very enthusiastic about the beauties of this section. The family left Michigan in the heart of winter and found summer weather awaiting them when they arrived in Redwood City. She is also charmed with the scenic beauty of Redwood City and its environs and anticipates that the Currie family will soon be among the most loyal boosters for San Mateo county.

Mr. Currie will preach his first sermon as the regular pastor of the Congregational church tomorrow and it is to be hoped that all of the members will be present to give him a royal welcome at both the morning and evening services.

NO HOOOF AND MOUTH CASES AROUND HERE

The report published in this paper last week that there were cases of Hoof and Mouth disease on the Old Dennis Martin ranch, back of Stanford University, was erroneous and there have been no cattle infected with the disease in this section.

On Tuesday A. H. Zickendick who is connected with the State veterinary department made a thorough examination of every animal on the Stanford Farm and gave the place an absolute clean bill of health.

DEVELOPMENT OF REDWOOD HARBOR PROGRESSING

The water front at Redwood City is beginning to take on the aspect of a great construction center. Machinery in various lots is being unloaded daily by the Portland Cement Company, who have already thousands of dollars of material on the site of the immense factory which they are building on West Point creek.

Construction was started this week on a temporary substation to take care of the power which will be required during the building of the plant. The station will handle about 400 horse power it is said. When the cement plant is completed it is reported that the Pacific Gas and Electric Company, which is now located in town, to the marsh. This change will not only enable the company to give better service to the cement plant, but will remove all the dangerous high voltage wires which at present pass through town.

Work is being actively prosecuted in the construction of the cement works, two more pile drivers have been added to the five which have been at work on the foundation for the factory for the last month. Other machinery for the construction of the road is arriving daily, and it is understood that actual building operations will start within the next few weeks.

The road is still under construction, and according to present reports will not be finished for at least two months. When completed the road will be 100 feet wide, half of which will be devoted to railway tracks, and the other half to vehicles.

When completed this plant will be one of the largest manufacturing plants in the county.

PROMINENT CALIFORNIAN MAY SUCCEED DAUGHTERY AS ATTORNEY GENERAL

According to reports from Washington, there is a probable likelihood that Curtis D. Wilbur, at present Chief Justice of the California Supreme Court, may be appointed to succeed Harry Daugherty as attorney general. The appointment, of course, depends upon the resignation of the latter which has not yet been tendered. Frank S. Dietrich, federal judge of Idaho and William Kenyon, former senator of Iowa are also said to be thought of for the job.

Wilbur is a brother of Ray Lyman Wilbur, president of Stanford University. He is well and favorably known in this vicinity, having addressed audiences here a number of times. The last occasion on which Justice Wilbur was in Redwood City was the dedication of the Congregational church at which he officiated.

METHODIST LADIES AID PLAN CHICKEN DINNER

The Ladies Aid of the Methodist church are planning an elaborate chicken dinner to be served in the Oakes hall on Thursday evening, March 13. According to present plans the affair will be a delightful one, an excellent menu has been selected, and it is hinted that a musical program might be presented at this time. This fact, however, has not been established. The dinner will be served from 5 to 8 p. m., and the ladies are desirous of having a large attendance, as the proceeds will go towards the society's pledge in building a new Methodist church in Redwood City. Tickets may be secured from any member of the Ladies Aid.

ASSESSOR NAMES DEPUTIES

County Auditor Dan Flynn announced the names of the deputies who will assist him in making the new assessment of the county. The deputies appointed are B. H. Trux of South San Francisco, Richard Fischer of San Mateo, Harold Kelley of Burlingame and E. E. Kerriek of Halfmoon Bay.

Boat Reported Disabled off Coast

The three-masted schooner Galilee, commanded by Captain Dan Hanson, was reported early yesterday of the coast of Pescadero, apparently about 60 miles off shore. The boat, which is the property of the Union Fish Company of San Francisco, left on the 28th of last month bound for Point Arena, Alaska, but met with adverse gales which drove her back on her course. According to reports received here the ship has lost two masts and was being driven toward the shore by the prevailing winds.

Assistance was said to be on the way to the stricken schooner, and it is thought that tugs will be able to reach her before she is driven ashore. The Red Stock tug, Sea Scout, was reported to have been dispatched to the rescue.

C. E. SOCIETY PLANS MEMBERSHIP CONTEST

The Christian Endeavors will meet in the church parlors at 5:30 p. m. for a social hour before the regular lesson at 6:30. The topic is, "No Trifling." The leader will be Fred Taylor.

A contest lasting for 6 weeks between the young men and young ladies will begin Sunday, March 9, 1924. The points to be given are: attendance, 50; to be on time, 100; to bring a visitor 50; to get associate members 250; to get active members, 500; for talking in meeting, 100; for prayer 100; for staying to church 100.

The results of this contest will be a dinner given by the losing side. Mrs. Wilbur Dooze will give a vocal solo. Don't miss this meeting. Everyone most cordially invited.

REDWOOD CITY VEGETABLE MAN HELD FOR NEW ORLEANS

POLICE ON LIQUOR CHARGE Held for prohibition authorities of New Orleans, La., where he is charged with a violation of the Volstead act. Anthony Greco, recent arrival at Redwood City, has been taken into custody by Deputy Marshal Hamlin of San Francisco. Greco is said to have been indicted last June in the Southern city on a charge of selling liquor and later left, after depositing bail of \$2000. He was lodged in jail to await officers from New Orleans. Greco recently opened a vegetable market in Redwood City.

LEGION WILL DEDICATE COUNTY MEMORIAL PARK

According to announcements made this week by the American Legion, plans are now under way in that organization for the dedication of the San Mateo County Memorial Park, the tract of land purchased last year as a memorial of the men from this county who gave up their lives in the great war.

All branches of the Legion in this county will participate in the dedication, which is scheduled for July 4, according to present arrangements. At a meeting held here last Tuesday evening at which all points of the county were represented, a committee, consisting of Stanton Mullen of Redwood City, W. Brown of San Mateo, A. J. Watson, San Mateo, A. J. Welte of South San Francisco and Geo. Morrell of Palo Alto, was named by M. A. Hope, chairman.

MRS. TERWIGGLER OF MENLO PARK BADLY INJURED IN AUTO ACCIDENT

Jury Acquits Benedict at Trial

A jury called by the superior court in the case of the People of the State of California against H. C. Benedict, Jr., of Palo Alto last Friday finally returned with a verdict of "not guilty." Benedict was accused of running over Redwood City Police Officer Ed McAllister on the morning after the big game at Berkeley. Benedict was returning from the game at 5 a. m. without lights and was stopped by McAllister. Benedict is said then to have started suddenly and run over the officer, after which he drove away.

The prosecution was on two counts, first, attacking the officer with intent to do great bodily harm, and second, with leaving a victim on the highway without offering assistance. The argument for the defense was that the defendant thought that the officer was a hold-up man. The defendant was represented by Attorneys Ed Lakin of Palo Alto and John D. Willard of Redwood City.

The jury was made up of the following: Kathryn T. Killias, foreman; Valley K. Drake, Eugene Pescaro, Frank Preble, Hans M. Agard, William Moore, Nellie R. Hunter, Mary E. Archibald, May Roy, Beulah Schindler, Mary H. Elliott, and John P. Cummings.

DEEPENING OF WATER CHANNEL CONSIDERED

The question of deepening the Redwood City water front was discussed at some length at the meeting of the board of trustees of the Town of Redwood City last Monday night. The matter was brought before the board by H. V. Towle of the Pacific Portland Cement Works, the company which is constructing the immense factory at the mouth of Redwood creek. Towle said that his company had already taken the matter up with the federal government and had offered to pay half of the expense of dredging the harbor. Towle expressed a belief that the government would take action on the matter very soon.

A resolution was passed by the board to be forwarded to Congressmen Free of this district, asking him to use his influence in having the appropriation made by the government. A similar resolution was passed by the board of supervisors earlier in the day, and also sent to Congressmen Free.

At the same meeting Towle asked the city for a right of way across the recently acquired water works property for the railroad track that is being built to the cement factory. The matter was referred to Trustee McNulty, who was empowered to sign the necessary deed.

A permit was granted to F. A. Dustin, who had asked for a permit at a previous meeting to build a public garage at the corner of Hillton and Cassia streets. The permit was granted upon presentation to the board by Dustin of a signed statement of the majority of the property owners of the vicinity that they were not opposed to having a garage built at that location.

A permit was granted to J. G. Garfield to build a bridge across the drainage ditch along the highway at his property.

A local business man said his collector was so poor he couldn't collect his debts.

PLAY GROUNDS

We have been thinking about taxes the last few days. The people of this community evidently felt that they didn't want to put an added burden upon themselves by the acquisition of a playground. Perhaps they were right. We do not want to argue the question. We just want to talk about taxes.

We don't know whether it is so or not, but someone said not long ago that 90 per cent. of all our taxes go for war—past, present and future. Education, roads, government, etc., cost 10 per cent. of the nation's income. In other words we are educating our youth so that they may be ready to bear arms.

If that is so the government should provide playgrounds so that these boys will grow up as healthy men who will be able to stand the rigor and strain of camp life.

Personally we should like to see every nation disband its army and turn its soldiers over so that they might perform productive labor. They would then be doing something of economic value and the cost of their maintenance would not have to be borne by the taxpayers of the country. Sometime a man will arise in our midst who will bring this to pass. We hope that the day of his arrival will be hastened. When he comes we will be able to afford playgrounds for our children and they will then grow up with the idea that they must live their lives for their country. Playgrounds help to make good citizens.

LENT

The Christian world is now celebrating Lent. Wednesday was the first day upon which the annual observance of this period began. It is right that a time of meditation and worship should be maintained in the lives of the people of the world today.

Conditions are constantly changing and in the hurly burly of business and life, people are prone to forget or look lightly upon customs that should be held sacred.

As Christians we should look upon Christ not only as the Savior but also as the great teacher who taught not only by precept but by example. He gave rules of conduct which, if followed today by the Christian world, would do away with war and bloodshed.

Christ lived the life of a common citizen. He learned a trade so that he could earn his daily bread. He went about doing good. He left a record that has endured through two thousand years and which will be known and revered as long as time shall last.

As a sacrifice and as a propitiation for the sins of the world he endured a death upon the cross.

We are observing Lent in order that we may be in the right frame of mind at the closing of the forty days to properly remember His death and resurrection. We trust that this season which ends with Easter may bring back to many people the simple faith of their childhood.

WILL INVESTIGATE CALIFORNIA OIL LEASES

Samuel Knight, one of the best known attorneys of Northern California has been appointed by the government to act as special counsel to investigate Standard oil leases of government oil bearing lands in California. Mr. Knight was suggested for this important post by Senator Samuel M. Shortridge and recommended to the Senate by President Coolidge.

Mr. Knight may be called upon to prosecute actions for the recovery of oil lands in the Elk Hills district which are now under lease to the Standard Oil Company, and if he is, he will most certainly present his cases as they should be put before the court. He has frequently appeared in the local Superior Court and his ability and knowledge of procedure have placed him in the forefront of his profession. His appointment, therefore comes as a proof that his ability is recognized in our nation's capitol.

If we are any good at prognosticating we should say that Mr. Knight will be the next man from California to receive a federal judgeship should any vacancy occur soon. He is the logical man for the position and we know that his handling of oil affairs will show the government that he is the kind of material out of which federal judges should be made.

Mr. Knight resides in Hillsborough, San Mateo county, so his appointment as special counsel is an honor to San Mateo county.

AND MAY GOD HAVE MERCY ON HIS SOUL

Yesterday over at San Quentin prison a Mexican boy just twenty years old was hanged by his neck until he was dead. When the judge sentenced him to be hanged, he added: "And may God have mercy on your soul."

From our reading of the case we do not believe that the crime which the boy committed was an extremely vicious one. The boy claimed that he acted in self defense. Twelve men, however, and a judge and a governor felt that the boy should be hanged. The old pharasaical law of an eye for an eye and a life for a life was evoked.

We are willing to admit that some crimes should warrant the death penalty. But we venture to remark that had Abraham Lincoln been governor of California this week that boy would not have been hanged by the neck until he was dead.

Sometimes we wonder what the great Judge will say when we stand before Him. This is Lent. We are living in a Christian nation. He was only a boy twenty years old.

HOOF AND FOOT DISEASE DISCUSSED BY SUPERVISORS

The subject of the epidemic of the foot and mouth disease which has so infested the state was forcibly brought before the board of supervisors last Monday and occupied the attention of the board for the major portion of their regular meeting. The matter was first brought to the attention of Dr. McLean, county veterinarian, who appeared before the board and asked for assistance in his office. District Attorney Swart was present and advised that the county should supply. Dr. McLean with an office assistant to take care of the correspondence of the office and release him for outside work.

The state health department demands that all livestock be inspected by state inspectors so that the county was without power to appoint inspectors to aid the doctor, but he, as state inspector, said the district attorney would be able to appoint assistants to be paid from the fees collected.

A number of dairymen of the county were also present to find out what arrangements could be made about moving stock, etc. Among these was J. C. Crobitch of the Ayshire farm at Lo Honda, who urged upon the board the strictest observance of the quarantine law. Crobitch urged that all officials with police power be instructed to observe the utmost vigilance in regard to the quarantine and to stop all attempts to transport stock into this county.

The clerk was therefore instructed to write to all constables, to the sheriff's office and to instruct them to be on the alert for any infraction of the quarantine, and to spend most of their time on the highways. The clerk was also asked to write to the officials of all the incorporated towns in the county and ask their co-operation in safeguarding the interests of the stock raisers by having the city police aid the county officials in watching for suspected shipments on the highways.

John Lyle Harrington was present and addressed the board in regard to the Dumbarton bridge franchise granted to him last year. Arrangements were nearing completion, he said, and work would soon be started on the transbay bridge. The franchise would however, expire this month unless work was actually in progress on the construction. It was impossible to begin actual operations on the bridge, he said, and asked that the permit be extended for six months. This was accordingly done by the board.

Harrington was accompanied by F. K. Towne of the Dumbarton Bridge Association, and C. H. Haggert of the Chamber of Commerce. Hall Ross of the firm of Ross & Ross, was present in regard to a protest he had filed with the board two weeks previously, against plowing the streets of Halfmoon Bay. At that time a notice had been sent to J. L. Ferreira of Halfmoon Bay, citing him to appear and tell why he was plowing up the streets of the town. Ferreira was present and explained that in plowing up the streets he was merely following the practice of the former owner of the land. He expressed his willingness to discontinue plowing the streets.

A petition was received from residents of Hillsborough for the exclusion from the city limits of certain portion of Ralston avenue. The avenue is partly in Hillsborough and partly in Burlingame. It is now the desire of Burlingame to acquire the whole property and improve the street. The board set Mar 17 as the time for hearing the petition.

A motion made by Supervisor Brown of the 2nd township that the advisory committee of the Community hospital be increased by two members, both of whom were to come from the Second township, was withdrawn after a somewhat heated argument, and the matter postponed for two weeks upon motion of Supervisor MacBain.

Two maps of subdivisions were accepted by the board, the tracts are the new Dearborn Park, near Pescadero and Irwin subdivision in Hillsborough.

A communication was received from the Morse Seed Company, complaining about the number of ground squirrels existing on the Britton property, adjoining the seed farm. The matter was turned over to the state squirrel exterminator, Wm. Graef.

STANFORD VICTORIOUS IN DEBATE HERE

The debate held in the Little Theatre of the new Sequoia Union High School here last Monday night, between debaters from Stanford University and the University of California, resulted in a decision in favor of Stanford of 19 to 8. The question debated was "Resolved that the United States should enter the protocol at the World Court." The Stanford team upheld the affirmative of the question.

CHAMBER OF COMMERCE PLANS IMPORTANT MEETING
According to announcement made this week by C. H. Haggert of the Redwood City Chamber of Commerce an important meeting of that organization will take place on March 13 at which it is desired that all members be present. Business of vital interest to the organization will be on the tapis, it is said.

Change now to the brand that never changes and you'll never change again.

ADVICE ON APHID CONTROL CONTAINED IN REPORT

The report of County Horticultural Commissioner Tate this month contains valuable information to farmers and gardeners. The report follows:

Weather conditions during the month have been extremely favorable to the development of all sorts of insect pests, so I desire to reiterate my warning of last month that growers, especially vegetable growers, be on their guard for the appearance of aphids on all of their crops. These should be combated at their first appearance for once they get a good start they are almost impossible to control. Five per cent. nicotine dust will control most species but for the potato or pea aphid no lesser strength than eight per cent should be used. If a spray is used, black leaf 40, one pint to one hundred gallons of water, with a soap or kaysa spreader, may be used.

The present warm weather has started the sap and should it be followed by cold, which would check the flow, sour sap conditions may be expected such as we had last year when a dry March was followed by heavy April rains. Unfortunately very little can be done for this trouble, but it is recommended that the ground about the trees be kept loose and a mulch of some kind, such as straw, be spread over the surface of the ground.

Nursery shipments have been very heavy this month. We have inspected 933 shipments from California points and 77 from eastern. A total of 1010 shipments which contained 164,004 plants and packages. There were 98,874 strawberry, 22,640 bush berry, 14,644 ornamental plants, 17,255 fruit trees, of which 10,637 were pear trees, and 6,182 grape vines. The balance consisted of seeds and miscellaneous.

Ravenwood Plans Big Improvements

Residents of the Ravenswood school district comprising Runnymede, Ravenswood, North Palo Alto and Menlo Oaks, have been invited to inspect the new high school building in Redwood City next Monday evening, March 10 by the board of trustees of the Sequoia Union High School. Those planning to go are requested to meet in front of the Ravenswood school not later than 7:30 p. m. The trip is under the auspices of the Ravenswood chamber of commerce.

Plans for the beautification of this district were discussed at a meeting of the Ravenswood chamber of commerce held last evening. A graves gave a talk on landscaping and offered to give 50,000 Christmas plants to people in the Ravenswood school district to start the improvement and beautification movement.

Joseph Wickstrom spoke on the theory of architecture; Len Follett on the philosophy of home building, while E. R. Tait gave a talk on the manufacture of rugs.

Four new members were added to the membership list, namely: C. H. Steere, E. C. Jacobson, Paul Boyle and J. N. Thorneley of North Palo Alto.

Mr. Steere spoke on the advisability of incorporation and laid great stress on the need of fire and police protection, and sanitary and water supply. The subject was continued by Judge Shurtleff and Paul Boyer. A committee was appointed to look into the matter of incorporation, the membership being as follows: C. H. Steere, chairman, Judge Shurtleff, George Hand, E. R. Lam, J. H. Stubbs and R. R. Waterbury.

Remarks were made by the various candidates for high school trustee.

The secretary was instructed to write the sheriff's office to find out if a local resident could be appointed as deputy sheriff to function in this district. The secretary was also instructed to communicate with the Palo Alto city council and the postmaster and ask if a ten-minute parking limit could be put in force on the streets adjoining the post-office.

Register now at Ryan's Drug Store.

New Entry For School Trustee

The race for the position of trustee of the Sequoia Union High School district, from all appearances, will be one of the most hotly contested in the history of the school. Two new candidates were announced last week for the office, Lester Prior of Redwood City and Charles Merrill, well-known business man, of Menlo Park. This week still another candidate has announced his intention of trying for the position. The new candidate is O. D. Fairfield of San Carlos. Fairfield is manager of the Empire planing mill in San Francisco. He has been a resident of San Carlos for the last two years.

CARD PARTY PLANNED

Redwood Circle No. 100 U. A. O. D. will hold a card party in the I. O. O. F. hall here on March 10, at which time the committee in charge announces a good time is guaranteed to all who attend. Good prizes have been secured and a novel time is planned. Mrs. Phil Rodgers is chairman of the committee in charge. Everybody is welcome.

The sign spelled, "A. Poke's Store," a spider read, and then he said, "Homeseeking days are o'er." His silken web he spun across the door, and nevermore was roused by any one. But on another street, a dealer true advises you of wares and prices meet. The shoppers strain his doors; and with their scads he runs more ads, and builds up two more floors! Then to this tale give heed—and if you'd nurse a well-lined purse, just emulate Hi Speed. For in this very space he tells folks, both short and tall, of bargains in his place.

REDWOOD BOND ELECTION DEFEATED LAST MONDAY

The bond election voted upon by the people of Redwood City last Monday, at which time the proposition of purchasing the ball field at the corner of Broadway and the Highway for the city was voted upon failed to carry. The defeat of the bond issue was surprisingly heavy, especially in the old section of town. The vote as cast by precincts was as follows:

Precinct No. 1—Yes 43, no 106; precinct No. 2—yes 31, no 71; precinct No. 3—yes 31; no 70; Precinct 4—yes 70, no 55. Total 175 for and 302 against.

The property in question belongs to the Sequoia Union High school district, and must be sold by the district in order to finish paying for the new high school building. The board of trustees of the high school district has been holding the property until the people could signify their wishes in regard to purchasing it for a ball park and playground. As the bond election failed, the property will now be sold to the highest bidder and will probably be used for business purposes.

NEWS OF MENLO PARK

Maurice Rosenthal, the millionaire cigar manufacturer of San Francisco, has purchased the remaining portion of the Valparaiso tract, an old, consisting of seventeen acres. The original property consisted of sixty-four acres. Mr. Rosenthal is planning to give his employees the largest part of the land for home sites, keeping a choice portion for himself on which to erect an estate dwelling. The tract was formerly the holding of the late Kate Johnson, who left it to Archbishop E. J. Hanna to found Mary's Help hospital in San Francisco. She also gave large sums of money to the institution. It is now in a flourishing condition.

The attractive home of Richard Glavin, Jr., at Atherton has been leased for the season to Mr. and Mrs. Roy Bishop, society leaders of San Francisco. Their young son, Richard, will join his family here next June. He is attending college in the east. Richard is a bright young man.

Last week the announcement was made in San Francisco of the engagement of Samuel Hopkins and Mrs. Margaret Walsh, a society belle of the city. Mr. Hopkins spent his boyhood in Menlo Park, where his family resided for many years. The marriage will not take place until after Lent, the bride-to-be being a Catholic.

Grandpa E. J. Crane has been made extremely happy by a telegram from Los Angeles last Saturday announcing the arrival of a baby girl in the family of Mr. and Mrs. Howard Crane, formerly Miss Mollie Nash. The little girl is the "first born" in the family and naturally the found parents are elated. Mr. and Mrs. Crane here are also proud of the youngster.

The rain fall for the recent storm was .88 of an inch, making 6 inches for the season as against 18 inches at this time last year. The rain last week was timely and insures a fair crop in this locality.

On Tuesday Father James Doyle visited all his old friends in Menlo Park. It is upwards of sixteen years since he left here to pursue his studies and he finally returned last year at St. Louis, where he has remained until two weeks ago when he was called to Berkeley to be at the bedside of his father. Father Doyle is a devoted priest, who loves the work of the sacred calling. He was born and grew to manhood in Menlo Park, and the people of his home town are proud of him and wish the young herit a long and happy career in his holy calling.

Most Reverend Archbishop Fumasoni Dioni, the Apostolic Delegate from Rome to Washington, was a guest at St. Patrick's Seminary over the week end. He was accompanied by Archbishop E. J. Hanna. He celebrated mass on Sunday morning, after which he bestowed the Apostolic benediction upon the students and faculty. The archbishop is a tall, handsome looking man, a learned theologian and an able diplomat. It is a general rule of the vatican that the delegate, or rather ambassador at the capital eventually becomes a cardinal. Archbishop Dioni is certain to receive the Red Hat. He will then become a resident of Rome.

Fire Commissioner A. G. C. Hahn will leave next month for a tour of Europe. He will be accompanied by his wife and charming daughter. They will spend the summer on the continent seeing the battlefields and other attractions.

Mrs. Maria Storck, a sister of Mrs. Martin McCarthy of Menlo Park, passed away suddenly at San Francisco last Sunday while on her way to attend a recital by John McCormack, the famous Irish singer, at the Civic auditorium. She was a

native of Ireland and is survived by a daughter four years old and her husband, Mrs. Storck often visited her sister here.

Piano lessons—Mrs. Bostwick Barnes, teacher of piano, pupil of Mrs. Ricardo Ricci of London, also tutored his pupils of Leschitzky and Sir John Stainer. Studio at 629 Maple street, Phone 107.

One by one the old pioneers of the county are passing away. Men who in their time were pioneers in the work of upbuilding of the peninsula. Like sturdy oaks of the forest they are dropping from view. The latest pioneer that helped blaze the way in San Mateo county to pass over the great divide is James Redmond Doyle, who died at his home in Berkeley early last Sunday morning, following a lingering illness of several months. His passing was peaceful, simply going to sleep like a tired child after a day's play. It was an extreme consolation to him to have at his bedside a few of his dearest friends.

Father James Doyle, S. J., who came from St. Louis, Mo., to soothe the last days of his aged parent. The young priest had an improvised altar erected in the home in view of the sick room and there celebrated three masses, the last of which was just a short time before Mr. Doyle closed his eyes in death. His wish to see his son clothed in priestly robes upon the altar, was granted to him, and then he was ready and willing to answer the final summons. It found him prepared to go. On Tuesday the remains were conveyed to the church of the Nativity here in which he worshipped for forty years. The edifice was crowded with old friends of the deceased. Inside the Chancel rail were twelve priests, many of whom were former pastors of the churches where Mr. Doyle celebrated the requiem mass. The committal service at the grave in Holy Cross cemetery was also performed by him. During this service Father Doyle took occasion to deliver a short address. In beautifully phrased sentences he thanked many friends of his deceased father for the respect shown him in death, and for the prayers offered for himself, while studying for the priesthood. He keenly appreciated the kindness of the people of Menlo Park. At the close of the address he conferred his blessing upon all present. The funeral ceremony was a touching, particularly when the last prayers were recited, then the young priest faltered and sobbed but quickly recovered his composure and finished the ceremony.

Mr. Doyle was born in the Province of Quebec and had lived until the fourteenth of June next would have reached his ninetieth birthday. He came to San Mateo in the sixties and worked at his trade as a carpenter. Later he engaged in the contracting business with the late John Wisnom. The firm erected the Parrot mansion and other palatial residences in the exclusive district of San Mateo. When his brother, the late Murtha Doyle passed away in 1882, Mr. Doyle came with his family to reside in Menlo Park, and to assume the interests of the former in the firm of Doyle and Duff, the firm afterwards was known as Duff and Doyle. When the firm retired three years ago Mr. and Mrs. Doyle moved to Berkeley and

live with their daughter, Mrs. Joseph Flinn. Mrs. Doyle passed away about a year ago. The death of a son, W. A. Doyle, last January was a severe shock to the aged pioneer and no doubt it hastened his death. Mr. Doyle was a devoted Christian. He was taught in early life that he must keep his heart clean and lifted up to God because there is here no lasting city. His life was clean, pure and beautiful. He enjoyed the respect and esteem of all who knew him. Mr. Doyle's memory will ever be cherished by his friends in San Mateo county, where he spent nearly all of his life's golden hours. He is survived by three daughters—Mrs. Joseph Flinn, Mrs. Charles Brady and Mrs. Annie Ahlert and one son, Rev. James Doyle. Six sons had preceded him to the grave.

George McLachlan, a pioneer stone mason of Palo Alto, died at his home in the College City on Wednesday. He was one of the builders of Stanford University and was well known in Menlo Park.

Rev. William Lyons, Rev. L. Bailey, Rev. B. McKinnon and Rev. Cullen, all former residents of Menlo Park, were here on Tuesday attending the funeral obsequies of James R. Doyle. Before returning home they visited friends.

Trinity Episcopal Church, Menlo Park—Sunday, March 8, first Sunday in Lent—early celebration 8 a. m. Church school 9:30; morning prayer 10:30; additional services to be announced.

Each Thursday during Lent—Children's service 4:00 p. m.; devotional service with brief address at 7:30 p. m., followed by choir practice.

Monday, March 9, 7 p. m. Men's Club at the Parish house. On Saturday, March 1, the Men's Club of Trinity Episcopal Church gave a surprise party to the women of the parish. Card playing and a spread furnished by the men made a most enjoyable evening.

The Lenten service was ushered in at Trinity Episcopal Church by the Ash Wednesday service on March 5. There will be special services on Thursday throughout Lent, one for the children at four in the afternoon, and one for the elders at half past seven in the evening.

ST. PATRICK SEMINARY PRIEST SUED FOR HEAVY DAMAGES
A suit was filed in the local superior court against Rev. Father P. W. Kunkel, treasurer of St. Patrick's Seminary at Menlo Park. The suit is filed by Mrs. Caroline O. Brandon and her minor son, Warren E. Brandon, and demands \$50,000 for the death of J. O. Brandon, husband and father, respectively of the plaintiffs who is reported to have died of injuries received when the motorcycle on which he is said to have been riding at the time was struck by a car driven by Father Kunkel.

LEGION AIDS RED CROSS
The card party to be held next Wednesday evening in Foresters' hall, March 12th, promises to be a banner event. The committee in charge are planning on starting the games at 7:15 and carrying them on through to an early ending, so that all who wish may attend the Old Time Dance in the hall below. Prizes are on display in Geo. Peterson's new jewelry store in the Marcus building and many door prizes are also to be distributed that evening. Tickets are selling fast as it is a worthy cause and all know of the good work done locally as well as abroad by the Red Cross.

The Redwood City House bar room presents a neat appearance. Will Haver has just finished painting and tinting that favorite resort. This county of ours is nothing if it is not scenic. At the World's fair our display was a magnificent display of art photos and engravings of our favorite views—trees, bits of water, quiet scenes of sylvan life, lovely homes beyond vistas of park and grey hills; yet a party actually appeared before the board of trustees and pleaded for the privilege of covering the landscape on each side of the Southern Pacific's tracks with broadside advertisements, and being kicked into Alameda county. Truly our trustees are marvels of patience.

A new cooler and a hot water tank are among the improvements made at the Eureka brewery recently. The brewery has all the modern improvements for manufacturing the best of beer for which the institution has a reputation.

Joseph Ahlert is making one of his unique gas machines for Duff & Doyle for their new store. Yesterday Mrs. Isabelle Brittan was granted a divorce from N. J. Brittan by Judge Buck on the ground of desertion.

Half in Jest and Half in Earnest

The man who has kept his hand on his pocketbook seldom has to put his hand in somebody else's pocket.

Most people believe in equal rights if they are getting less than equal ones, but not if they are getting more than their share.

Why worry about the future? It will always be there.

A man sometimes has to be pretty well along in years before he discovers that the two absolute materials essential in life are health and money, and that when he has these the other things he wants are likely to come without much coaxing.

A man sometimes buries his past thinking it is dead, only to awaken some morning to find it sitting on the bedpost grinning at him.

A good many young people believe they have a good liberal education if they know how to use correctly all the late soda fountain slang.

Pay Labor

A BRAHAM LINCOLN said, "Labor creates." He was right. But it does not continue to create unless it is COMPENSATED.

You, and 700,000 other customers of the P G and E demand service.

About 8,500 employees are maintained to render it.

Each time you pay a dollar to this Company for electricity, gas, etc., YOU reward labor with more than 26 cents.

Here are the interesting FACTS:

The payroll of the P G and E is about \$16,000,000.00 annually. In addition, much of the moneys paid for fuel, oil, materials and supplies also go to labor.

Remember: Labor is an important item in every bill you pay for "Pacific Service."
